BEFORE THE SHOW

Warm up your ears, ideas, and imagination!

WHAT DOES MUSIC MAKE YOU FEEL?

Music can make us feel happy, excited, relaxed, energetic, or even nostalgic. There are no wrong answers - every listener may feel something different!

THINK ABOUT IT

- ☐ What is your favorite kind of music?
- ☐ What song makes you want to dance?
- ☐ How can music change your mood?
- ☐ What instruments do you hear?

MUSIC DETECTIVE

Choose a familiar song. Listen closely, then describe what you discover.

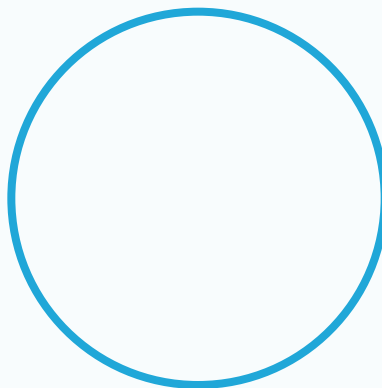

Tempo: _____

Mood: _____

Instruments: _____

MY MUSIC MOOD

Draw a face that shows how your favorite song makes you feel.

WHAT MAKES A BEACH PARTY?

Use all five senses to imagine the perfect celebration.

PICTURE IT!

Close your eyes for a moment. What would you see, hear, feel, and do at your perfect beach party?

MUSIC & RHYTHM

Listen for the building blocks that make music move.

Rock music often has a strong beat that makes you want to move. Can you hear each musical ingredient?

BEAT

the steady pulse

RHYTHM

patterns of sound and silence

TEMPO

how fast or slow

MELODY

the main musical tune

DYNAMICS

how loud or soft

TRY IT! FOUR-STEP RHYTHM CHALLENGE

- 1 Tap a steady beat.
- 2 Clap the rhythm.
- 3 Move your body to the tempo.
- 4 Change your movement when the music changes.

I kept the beat!

MOVE & CREATE

Performers use their whole bodies to share ideas and emotions.

BEACH MOVEMENT CHALLENGE

Create a movement for each idea. Make it **BIG**, small, fast, slow, smooth, or bouncy!

A rolling wave

The shining sun

A surfer riding

A sideways crab

A jumping dolphin

THE PERFORMING ARTS

During the show, look for the different art forms working together.
